

I mentally place your body in a bubble of energy that is charged with a subtle energy that is programmed to empower you and to help you to achieve in valuable ways like you never have before.

With all my psychic might I energize your brain to wash away like a waterfall all clouded thinking. My psychic powers are straightening out twisted logic, and causing you to see and know clearly. I energize your brain with brilliant energies, so you can sense what you need to know.

I make your every footstep, have powerful impact on your life. Your every action achieves great progress. I see you complete all priority tasks efficiently and glow with the energy of satisfaction.

I charge you with the power to express your feelings with words of power and moving impact and to skillfully assert your position effectively in all personal relationships. I charge you with the power to end all ties that do not profit you now, in such a manner as to bring out your most effective best.

I charge you with the power to succeed. I charge you with the power to achieve. I charge you with the electrical energy to succeed. I charge you with the electrical power to influence others favorably. I charge you with the power to tangibly succeed.

I attune the nerves of your body to success patterns. I charge you with the power to break through all limitations. I fill you with an energy to make superior decisions and to dissolve all obstacles.
